3. Certifications

CE	The device is CE certified and meets the requirements of the European Union Directive 2014/53/EU on radio equipment.
RoHS	This device complies with the requirements for the restriction of hazardous substances (RoHS) in electrical and electronic equipment as stipulated in Directives 2011/65/EU and 2015/863. The content of hazardous substances including lead, mercury, cadmium, hexavalent chromium, polybrominated biphenyls (PBBs), polybrominated diphenyl ethers (PBDEs) and four phthalates in its homogeneous materials is below the statutory limit values.
REACH	The device complies with the requirements of Regulation (EC) No. 1907/2006 concerning Registration, Evaluation, Authorization and Restriction of Chemicals (REACH).

4. Safety Information

In order to achieve maximum safety while using your products,
We suggest that you adopt the following guidelines:
* Storage and Operating Conditions:

Operating Temperature	0℃~40℃
Humidity	20% – 80% RH, Non-Condensing.
Storage and Usage	For indoor use only. Avoid direct sunlight. If the device is moved from a cold outdoor environment to indoors, leave it unused for 2 hours to eliminate condensation before powering on.

This product is designed to operate under the conditions specified above. Operating outside these conditions may cause certain functions to malfunction or affect overall performance.
Before using the product, ensure it has adjusted to the recommended indoor temperature if it was exposed to extreme heat or cold.

⚠ This product is intended for sim racing only.
⚠ Should you have trouble using the product properly and troubleshooting does not work,unplug the power and go to your local distributor for support. Do not attempt to service or fix the product yourself at any time.
⚠ To prevent fire or shock hazard, never expose the products to rain or moisture.
⚠ Only use the power and/or accessories included in the package, and/or purchase accessories made and/or approved by the manufacturer.
⚠ Use only a standard AC wall outlet with protective grounding to avoid product damage or electrical leakage.
⚠ When terminating use, please turn off the buttons and power equipment to prevent accidents.
⚠ Unplug the unit during a lightning storm or if it will not be used for a long period of time.
⚠ Do not take apart the phone (doing so will void your warranty), component replacements must be carried out or authorized by SIMAGIC's official repair center.

When using the simulator, please pay attention to the following ：
⚠ The device has significant force feedback and contains small components. It must not be used by children under 6 years of age. Children under 15 years old are prohibited from operating or using it independently. When in use, parents must adjust the force feedback parameters in child mode and supervise.
⚠ For first-time users, adjust the force feedback gradually to an appropriate level.
⚠ When using the device, ensure the surrounding environment is clean. Keep body parts,hair, loose clothing, cables, and accessories away from moving parts. Strong force feedback may cause serious crushing injuries, muscle damage, or bone fractures.

⚠ Users with a history of epilepsy, heart disease, or those using a pacemaker should consult a qualified physician before using this device. Certain patterns may trigger seizures with no prior history. If you experience any symptoms, please stop using the product immediately and consult a doctor.

⚠ If you have a history of epilepsy or seizures, consult a doctor before use. Certain patterns may trigger seizures with no prior history. If you experience any symptoms, please stop using the product immediately and consult a doctor.

⚠ When using a high-torque base, the peak force feedback may cause hand injuries. If the feedback is too strong, release your hands immediately and adjust the feedback intensity parameters promptly to prevent potential accidents.

⚠ The equipment contains moving parts, pinch points, and sharp edges that may cause personal injury. Operate with caution to prevent pinching, bruising, kicking,smashing, or other bodily injuries.

⚠ It is recommended to limit the force feedback gaming time from 20 to 40 mins to avoid health risks from excessive use.

⚠ Users should refrain from driving a real car for at least 1 hour after finishing the game.

⚠ If any abnormalities are detected, stop using the device immediately and seek assistance from SIMAGIC's official or authorized service center.

⚠ Please follow SIMAGIC's official website and public platforms for the latest product information.
